Lisbon Council
Skills and Human Capital Summit
15 September 2011

Remarks by Adam Tyson
European Commission

EU 2020 Strategy

1. **Smart growth:** developing an economy based on knowledge and innovation
2. **Sustainable growth:** promoting a more efficient, greener and more competitive economy
3. **Inclusive growth:** fostering a high-employment economy delivering social and territorial cohesion

Graduates as a share of the working age population (25-64)

Key policy challenges

- Increase scale and level of attainment
- Improve quality and relevance
- More opportunities for study abroad and international co-operation
- Strengthen education, research and business links

Two **conditions** for success: **Funding**: sufficient, efficient and well-targeted; and **governance** that enhances transparency and empowers institutions to play to their strengths
